# ***Verification (inspection and testing) of an electrical installation***

## ***Part:1***

### ***Basic Information***

*(Initial / periodic verification of a new / existing installation up to 1000 V AC and 1500 V DC)*

#### **Section 1**

##### ***Description and extent of installation***

##### ***Details of the client***

<i>Client name:</i>	tcs
<i>Department:</i>	Electrical
<i>Site Name:</i>	basic
<i>Person In-charge:</i>	hasansaheb
<i>Contact No:</i>	+91-8978701970
<i>Mail id:</i>	hasansaheb@gmail.com
<i>Site Address line1:</i>	nehru
<i>Site Address line2:</i>	nagar
<i>Site Landmark:</i>	mcl
<i>State:</i>	Andhra Pradesh
<i>Pin code:</i>	123456
<i>Country:</i>	INDIA
<i>Description of Report:</i>	testing the basic information pdf part
<i>Reason for this report:</i>	testing the basic information pdf part
<i>Type of installation:</i>	Addition Of An Existing Installation
<i>Description of the premise:</i>	Domestic(Individual)
<i>Estimated age of the wiring system:</i>	12
<i>Evidance of addition / altrations:</i>	Yes

<i>If yes estimated age year:</i>	10
<i>Previous records available:</i>	Yes
<i>Last date of inspection:</i>	2021-09-01
<i>Extent of installation covered by this report:</i>	testing the basic information pdf part
<i>Details of client / person ordering this report:</i>	testing the basic information pdf part
<i>Details of installation referred in this report:</i>	testing the basic information pdf part
<i>Date of starting the verification:</i>	2021-09-01
<i>Name of engineer who carries out verification:</i>	satish
<i>Designation:</i>	manager
<i>Company:</i>	cape
<i>Read and confirmed the extent and limitations (part 5, section 1):</i> Yes	

## **Section 2**

### ***Liability and declaration***

#### ***Declaration of designer of the electrical installation***

*I/we being the person responsible for the design of the electrical installation (as indicated by my/our signatures below), particulars of which are described above, having exercised reasonable skill and care when carrying out the design hereby declare that design work for which I/We have been responsible is to the best of my/our knowledge and belief in accordance with IEC 60364. The extent of liability of the signatory or signatories is limited to the work described above as the subject of this report.*

#### ***Designer 1***

#### ***Designer 2***

#### ***Declaration of contactor of installation***

*I/we being the person responsible for the construction of the electrical installation (as indicated by my/our signatures below), particulars of which are described above, having exercised reasonable skill and care when carrying out the design hereby declare that the design work for which I/We have been responsible is to the best of my/our knowledge and belief in accordance with IEC 60364. The extent of liability of the signatory is limited to the work described above as the subject of this report.*

## **Contractor**

### **Declaration of Safety Engineer (Inspector)**

*I/we being the person responsible for the inspection & testing of the electrical installation (as indicated by my/our signatures below), particulars of which are described above, having exercised reasonable skill and care when carrying out the design hereby declare that the design work for which I/We have been responsible is to the best of my/our knowledge and belief in accordance with IEC 60364. The extent of liability of the signatory is limited to the work described above as the subject of this report.*

### **Section 3**

#### **Next inspection**

*I/we recommend that this installation is further inspected and tested after an interval of not more than \_\_10\_\_ years*

#### **Details of the signatories to the verification report**

### **Section 4**

#### **Designer-1**
